OUTPATIENT TREATMENT

ABOUT US: Since 2004, Real House, Inc. (RHI) has transformed the lives of over thousands of individuals, through our emergency shelters, recovery treatment programs, and sober living homes. We believe that one of the most important aspects of any recovery program is the clinical treatment clients receive. At Real House Inc. we believe in an integrated method of treatment that explores not only substance-related problems but also addresses challenges and builds life skills for the future. Our goal is to help our clients extend their recovery past the completion of treatment and spread our message of hope and perseverance.
