

Summer Learning 2021

Montclair Public Schools
Department of Equity, Curriculum and Instruction

Purpose

Summer Learning 2021 will be an opportunity for the Montclair Public Schools and Community to connect, explore, bridge and ignite our passions for learning! In addition to our extended school year and intervention programming, we are planning to offer academic and enrichment opportunities for all of our students to connect and engage. This year has been one of challenge and many of our students have felt isolated from their social and peer connections. Our hope is that we can bring our students together in enriching and interest-based ways this summer.

Objectives

Summer Learning Objectives:

- Provide an expanded learning time for students
- Provide students with an opportunity to pursue areas of interest
- Provide students with an opportunity to strengthen basic skills and to complete courses

Elementary School Programming

Summer Hike

K-5 Summer Hike (Academic Enrichment Program)

June 28 - July 22 (No School July 5), Mondays- Thursdays,
Session 1: 8:15-9:45, Session 2: 10-11:30 am

This program is optional. Students will engage in ELA and Math enrichment activities that engage students in tasks that extend learning from this past school year. Students are expected to attend both sessions for ELA and Math for K-5.

Summer Step-Up

K-5 Summer STEP UP (Targeted Support & Improvement Program)

June 28 - July 22 (No School July 5), Mondays- Thursdays,

Session 1: 8:15-9:45, Session 2: 10-11:30 am

This program will be offered to students who are identified with need for targeted support. Parents will be notified if their child is recommended for this program. Students will engage in ELA and Math activities that engage students in tasks while reviewing major content standards and skills needed for the upcoming school year. Students are expected to attend both sessions for ELA and Math for K-5.

MIDDLE SCHOOL PROGRAMMING

Middle School Support

MS Summer School (Targeted Support & Improvement Program)

June 28-August 5 (No School July 5), Mondays- Thursdays,

Session 1: 8:15 -11:15am, Session 2: 11:45-2:45

Students enrolled in summer school sessions based on identified need for credit recovery. Parents will be notified if your child is recommended for this program. NJ requires 60 hours minimum for credit to be approved. Students are required to attend all days scheduled.

Credit recovery courses available for:

ELA, Math, Physical Education, Social Studies, Science (exact courses TBD based on enrollment)

Summer Enrichment

MHS Summer Experience (Enrichment Program)

Dates: June 28 - July 22 (No School July 5) Mondays through Thursdays

Session 1: 8:15-9:15am, Session 2: 9:30-10:30am, Session 3:
10:45-11:45am,

Session 4: 12-1pm

This program is optional. Families will be sent a list of enrichment courses that students can sign up for. These courses include a variety of subject areas that engage students in educational tasks and activities.

Subjects include: STEM, AP prep, Humanities, Arts, Physical Education, World Language etc.

Interest Survey

We are asking parents to complete a short interest survey form in Genesis for each child enrolled in Montclair Public Schools. This survey will be used to gauge interest in the programs detailed below and will help us with planning for these programs in advance. A separate form will be sent for actual registration, including if your child is recommended for targeted support/credit recovery programs.
