

Meeting Minutes #1: Curriculum/ Special Education/ Technology Committee

September 27th- virtual – 6:45 - 7:45

Attendance:

Crystal Hopkins
Melanie Deysher
Allison Silverstein
Kathryn Weller-Demming

-Welcome/check in

- This initial meeting was goal setting and board work that needed to be completed just by committee members therefore CO was not asked to attend.

★ ***Goal of Meeting***

- Establish evolving agenda for school year 22-23
- Updating committee goal.

★ *Members agree that this committee has a full plate but plan to work diligently with the superintendent and the various district officials to discuss and meet the needs of every child within this district.*

- *Overall theme for this committee is “Data Driven results for solid changes and updates”*
- *We as committee agree that this starting point allows for the next committee leadership and members to have a starting point should they change come January.*

❖ **Agenda**

➤ This agenda is ever growing and evolving this is the framework that the committee has agreed to for the 22-23 school year with these being added as the year progressed as foreseen by the superintendent, community and/or committee members.
