## Teacher Evaluation Communications Flowchart

I have a question about  
teacher evaluation. Where  
do I go for help?

Contact your evaluator  
with questions about  
evaluation and support  
structures.

Contact your School  
Improvement Panel  
(SciP) members with  
questions about school-  
level evaluation and  
support policies.

SciP members contact the  
District Evaluation Advisory  
Council (DEAC) with  
questions about district-  
level policies and  
procedures.
