

Weston Health Internship Program (W.H.I.P.)

January 1, 2024

Program Goal

The goal of this program is to provide motivated students an opportunity to be exposed to a variety of health care environments and professions.

Program Overview

Montclair Public School Rising Seniors can have the opportunity to intern and be exposed to a multitude of health professions in medicine. This is a non-tuition-based program. The areas of observation will include: Radiology, Pharmacy, Respiratory, Dental Clinic, Physical Therapy, Nursing, ICU, Emergency Dept. and Administration. There will also be an opportunity to shadow a physician for 1 week.
